Rating Scale:

1= unacceptable 2= poor 3= acceptable 4= good 5= excellent

Site Preceptor:

1. Please evaluate your site preceptor using the scale of 1-5 above.

My site preceptor...	1	2	3	4	5
Provided an orientation on policies, procedures, and practices of the site.					
Assisted me in achieving my learning objectives.					
Initiated communication with me relevant to my project.					
Provided feedback throughout the practicum.					
Showed a willingness to engage in broader discussions about public health.					

2. Would you recommend your preceptor as a preceptor for a future practicum? ____ Yes ____ No
Please explain:

Preceptorship Experience:

3. Please evaluate your practicum experience using the scale of 1-5 above.

My site preceptor...	1	2	3	4	5
Provided the opportunity to use skills acquired in my core and specialty coursework.					
Provided the opportunity to gain new information and/or skills.					
Challenged me to work at my highest level.					
Contributed to the development of my specific career interests.					
Showed a genuine interest in providing insight and knowledge to negotiate projects that match my abilities and needs.					
Provided opportunities for networking and career advancement.					

4. Please list and briefly describe the major projects and activities you were assigned during the Preceptorship. Did these projects and activities meet the defined objectives and plans for your Preceptorship? Also please indicate whether you were able to complete the projects and activities by the end of the Preceptorship.

5. Were there any projects or activities you were *not* assigned that you believe would have been beneficial? Please list and briefly describe.

6. Please briefly describe the relationship with your on-site Preceptor including type and frequency of interaction.

7. Please briefly describe the relationship with your Course Advisor including the type and frequency of interaction.

8. How would you describe the overall experience of your COPH MPH Preceptorship? Please include advantages and disadvantages of the organization/department serving as the preceptorship site.

9. Please define any specific problems and recommendations you may have about the Preceptorship site.

10. Has the Preceptorship experience helped focus your professional interests? Please explain.
