All academic work at the University of Arkansas College of Public Health shall be conducted with academic integrity. Students, faculty, and staff share the responsibility to preserve high standards of personal and professional honesty. As members of the academic community we will not:

1. give or receive aid in quizzes, examinations, or class assignments intended for individual completion;
2. plagiarize any source;
3. falsify research data;
4. fail to comply with the terms or conditions of a Reconciliation Plan developed by the Honor Council or with the final decision of the Appeals Panel.

As members of the academic community we will do our share to uphold the principles of the Code of Academic Integrity and to see that others in our community of scholars maintain our shared Code of Academic Integrity.
